

THE POLICE COMMISSIONER
CITY OF NEW YORK

**MEMORANDUM IN SUPPORT OF NYPD'S DEVIATION FROM
THE DISCIPLINARY SYSTEM PENALTY GUIDELINES**

Re: Disciplinary Case No. 2022-25103 / PODS Case No. C-031954 regarding Police Officer Christian Diaz

Date: December 29, 2025

This disciplinary matter was investigated by the Civilian Complaint Review Board ("CCRB") which involved an allegation that Police Officer Diaz failed to obtain medical treatment for an individual. CCRB has determined that a downward deviation from the Disciplinary System Penalty Guidelines is warranted.

I concur with the downward deviation for the reasons articulated by CCRB in the attached correspondence.

Therefore, the Charges and Specifications in this matter will be dismissed and Police Officer Diaz will receive Training, as negotiated by CCRB.

Re: **CCRB v. PO Christian Diaz (CCRB Case no. 202001478, DADs no. 2022-25103, Tax no. 958502)**

Commissioner Tisch:

A negotiated settlement of dismissal of the charge along with Department Imposed Training was agreed upon and signed by all the parties on January 28, 2025. Assistant Deputy Commissioner-Trials, Jeff Adler endorsed the negotiated settlement on February 27, 2025. This is a downward deviation from the NYPD's Disciplinary Matrix. CCRB offered this disposition for the following reasons:

1. Police Officer Christian Diaz agreed to take responsibility for his misconduct.
2. Police Officer Christin Diaz has been a member of service for nine years with two substantiated CCRB allegations for one incident involving a discourteous word for which NYPD imposed instructions.
3. The incident occurred over five years ago.
4. PO Diaz is rated Above Standards by his Commanding Officer.
5. Assistant Deputy Commissioner – Trial, Jeff Adler endorsed the recommended disposition in this matter.

Therefore, CCRB is recommending a dismissal of Charges and Specifications and NYPD imposed training.

Respectfully submitted,

Andre D. Applewhite
Andre D. Applewhite
Chief Prosecutor
NYC Civilian Complaint Review Board
